Dear Dr. and Mrs. Van Cleave:

Congratulations to you on your decision to establish your residence in the Greater Arcadia area. I feel certain that you will be happy that you decided to raise Glenna, Beloit and Wilfong in our family-oriented community.

As Headmaster of **THE ACADEMY AT ARCADIA**, I want to assure you that your applications for admission will be processed in a timely fashion. Please remember that the waiting period for admission is normally three years and we urge you to visit with our Academic Transition Specialists to determine the best course of study for each of your children while they await enrollment.

Under separate cover I am sending you the small monograph, **THE ACADEMY AT ARCADIA: Perfect Children Made Better**, which explains our rich history. After reading this informative monograph (Written, I might add, by Charles Kuralt, who is not only a graduate, but once did an "On the Road" television show on our beloved Academy), please feel free to contact one of our distinguished alumni, or me, to discuss the Academy in person. We hope to here from you soon.

Sincerely,

Allister Digby-Vane Trumpington III, Headmaster
