SALZMANS TAKE YOUNGEST GRANDSON ON TRIP!

Austin's Busy Life!!!

Austin Gets Married , Graduates, Travels and Joins the Air Force!!!

Our plans to take Austin on his graduation trip became complicated as he married Kayla Clark May 7th and will be leaving for the Air Force in July. We were unable to change our trip reservations and so Austin, Ruth and I headed to Spain and Portugal on June 16th. Dan, Andrew and Connor each had their trips earlier.

Austin's Favorite Trip Memories

Austin's favorite memories were:

1. Gelato at Sintra;
2. The Alhambra Palace and Gardens;

and, 3. The Rock of Gibraltar/monkey habitat. We had a great trip. Austin rocks!

For trip details, see drglenn.net sometime in August.
