

# The Village Bugler

*Ruth, Glenn and Harold in  
The Villages (FL) for Winter 2014!*

Ruth and I want to thank Vijay for helping us name the newsletter this winter. He sent me 21 suggestions and will receive a free subscription

to the Bugler! We are loving it so far...it is a very different place than any place we have ever been! Harold has adjusted to all of the golf carts and dogs.

## Facts from FL

1. Kent to The Villages is about 1000 miles... same as the distance to Pensacola. One-half the distance to AZ.
2. The Villages has 53 Recreation Centers, 45 Golf courses (31 free) and four Town Squares.
3. For those wishing to send us letters or gifts: 333 Colony Plaza #335, The Villages, FL 32162
4. Ruth's niece, Lorrie, loaned us a golf cart for our stay...very handy!
5. We love seeing our nieces...Lorrie, Kathy and Julie...who live nearby.

## WHY FLORIDA WHEN WE LOVE ARIZONA SO MUCH?

We love AZ, but we are spending the winter in The Villages in FL, as we can only be away two months this winter getting married to Krystal and Vegas! Wisely, they selected me of you (except Vijay) have any me know because I want this

because our grandson, Dan, is the ceremony will be in Las Vegas to officiate the ceremony! If any advice on what I should say, let service to be very special.
