

# The Village Bugler

*We Love the Villages...as does Harold! We've had great guests!*

Sherry and Dave Joy (below), Sandy Graham, Carol Lutz and **those** nieces spent time with us. The big surprise was a three day visit from our

Mexican daughter (above), Letty Spinolo, who we hadn't seen in 31 years. It was like old times and we picked right up like it was yesterday! We are blessed!

## Facts from FL

1. We visited Julie/ John Guidubaldi... John is undergoing 30 radiation treatments for a brain tumor. Send him a note at: [john1327@aol.com](mailto:john1327@aol.com)
2. Ruth's piano-playing partner in Junior High School, Betty Hissong (Dave), winters here.
3. A guy in The Villages played 801 rounds last year!! (Compulsive?)
4. We went to a sock hop with Letty at the Landing and there were five hundred attendees.
5. Best books so far: Time's Shadow, and, A Mosque in Munich

**WE ARE HAVING A GREAT TIME AND WISH TWIN LAKES HAD BETTER WEATHER!!!**

The Villages' experience continues to grow on us. Everyone waves as you go by (like on the farm) and no one seems too busy to be polite. We are going to a mega-church and

enjoying that experience too. Krystal & Dan's wedding is March fifteenth so I am working on my ministerial duties..had to submit six pages of documents to the Clark County Clerk!!!
