Breaking News: Ruth Thinking of Resuming Golf This Summer!!!

Ruth and I are really enjoying The Villages! Everyone here is very active and most everyone we see is fit! Ruth regrets not bring her golf clubs but

has been able to borrow a set so she can play.

We have enjoyed a huge car show and the movies... Nebraska, Monument Men and American Hustle.

Facts from FL

1. Saw The Dupree's (60's singing sensations) in concert...Ruth calls them The Dupers!

2. Harold got more than 20 kisses at the Mardi Gras Festival...he is a chic magnet...Glenn got none!

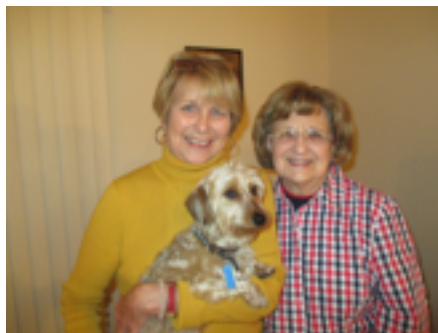

3. Ruth played golf three times in one week!

4. Celebrated Ruth's Birthday at Mallory Hill CC with beautiful nieces... and, with the Hissong's at Lopez CC! She got over 80 cards and emails...no one remembers my birthday!

5. The names Orville and Harold are not on Top Fifty Dog's Names list!

6. We love all of you!

Ruth and Betty (Stough) Hissong, a friend from Jr. and Sr. HS, have been doing things together after all these years. Husband David (who I played sports against in HS) and I have

been playing golf together. We are keeping our options open about next year but are leaning on returning to The Villages. We will see.

We return to snow land 3/4.
