

The Village Bugler

*Krystal and Dan Got Married
in Las Vegas...Rev. Glenn Presided!*

On Saturday, March 15, 2014, Dan and Krystal were married. The ceremony was held in a suite on the thirty-fourth floor of the Mandalay Bay Resort...overlooking the Las Vegas Strip, outgoing airplanes and a full moon which appeared to be shining directly into the floor to ceiling windows. Dan's father, Jeff,

was the best man and Krystal had two maids of honor. Krystal's nieces were flower girls. Krystal's mother, Cindy, and grandmother, Joyce, served with Dan's mother, Sally, as witnesses. The wedding party looked beautiful and a reception followed for hours. Krystal and Dan were great hosts. Everyone had fun!

WHERE DID THEY GET ALL THESE FRIENDS?

In attendance were family members from CA, OH, NY and OR. Several dozen of Dan and Krystal's friends were present...fellow workers, Army buddies, neighbors and fellow students from Univ. of CO College Pharmacy. Their friends came from AK, AZ, CA, CO, IA, MI, MN and

OK. It was a real tribute to Dan and Krystal that so many friends came from so many miles away to celebrate their marriage. The reception allowed many old friends to catch up and was followed by a brunch the next morning. Mandalay Bay is a perfect place for a wedding and the wedding was perfect.
