

Merry Christmas and Happy New Year from the Saltzmans

**Dear Family and Friends: We have had a great 2013! Jill graduated, sold her house and got job as an ICU nurse at the Cleveland Clinic. Dan and Krystal are engaged. Kayla and Austin are being transferred to Japan in February... and Ruth and I are going to FL for the Winter. More news will be reported in The Village Bugler (The 2014 Saltzman Newsletter).
Love, Ruth and Glenn
PS Harold, our new addition, is wonderful!**
