

Merry Christmas and a Happy New Year  
from  
Ruth, Glenn and Harold

This year has been a good one for us. Everyone except grandson, Dan (Krystal), will be here for Christmas...even Austin (Kayla) are coming home for Christmas from Japan. Jill continues to recover from her stroke, and hip surgery incurred during rehab. She hopes to return to work in February. We will be spending the Winter in AZ, and will of course, be sending you our Winter Newsletter (The RGH Report). Our portrait was a gift from friends for Glenn's 80th Birthday. Ruth is much younger!  
We love you. Ruth and Glenn...& Harold
