

THE HAROLD HERALD

Scarlet and Grey Format in Honor of The Ohio State University

BREAKING NEWS

We are back among the living after a rough two week bout with the flu and lung infection!

LOOKING AHEAD

We plan to get out and play some golf and do some tourist things. Cousin Jo, Grandson Connor and (maybe) Jill will be arriving next month. Should be fun!

MISCELLANEOUS

This past Fall, I took movie making classes at the Apple store and have linked a 37 second movie of an invention of mine that was constructed by Ruth's brother, Dale. Tap [LEAF MAGIC](#) to see the movie.

I hope this finds all you well and enjoying 2015. We love you!

EDITORIAL

The picture above is of Ruth and me with niece Judy and grandson Connor in Greece doing O-H-I-O in front of the Parthenon on the Acropolis. Great memories...great trip to prepare for OSU's National Championship this week. "Oh come let's sing Ohio's' praise..."

Before the OSU-KSU game. OSU edged Kent!
