

The NORTH COAST COURIER

Niece Lorrie hosted us at The Villages and we spent time with niece Kathy too. Ruth's high school girlfriend, Betty, (a friend of Vijay and Mary Beth too) took us shopping. This trip, 2500 miles long, was lots of fun for us as we were able to see many old friends...and get a little sun and two rounds of golf as well. Ruth insists that she is finished going away for three months in the winter but we will see. We both look forward to getting home, after 3 weeks, and not living out of suitcases. We have been to fifty states, and more than twenty countries, and like Ohio the best! See you soon.

Love, Ruth, Glenn and Harold

Ruth and I left The Villages on March 2 and arrived the same day at Sandy's condo in Bonita Springs...a beautiful condo on a golf course. While there, we had several dinners with Vicky and Phil Hollendoner, Laila and Maris Zvejnieks, Barry and Heather Nelson, Sherry and Dave Joy and Sandy...and I played golf with Maris. Heather had taken Hopper, so we we only took care of him for two days before Sandy's return from Italy/Sicily. It was a great time with wonderful friends in a wonderful place. We still have 1200 miles to go before reaching Kent. Ruth and I send our love to all of you.
