

The NORTH COAST COURIER

Arrived home from our trip several hours before the snow started to fall...never saw rain drops or snow flakes on our trip of three weeks. The next day, the snow hit us. The last leg of our trip was 1220 miles, which we did in two days...total trip was 3065 miles! (Pensacola,1000; Villages,400; Bonita Springs,230; Home,1220; Misc.,215). Ruth loves motoring, me not so much.

We now believe that winter is behind us and so we have put out our lawn furniture and are ready to start working in the garden. It has been a great winter and we are looking forward to 2018. We haven't told Krystal and Dan the baby's name yet.

Big Announcement! Although Ruth and I have always thought of ourselves as great grandparents, we are now going to be GREAT GRANDPARENTS! Little Glenn(a) will be joining Krystal and Dan around my birthday so you can save time by buying our gifts together. Golf items are appropriate!

My last book recommendations: Cutting for Stone (Verghese); MyCountry (Verghese); Dead Wake (Larson); Go Tell It to the Mountain (Baldwin). My favorite so far in 2017 is Cutting for Stone...many lessons of dedication, compassion, sacrifice and love.
