

# The Orange Spiel

February 2011

Volume 2011 Issue 4

## Grandson Update:

**Dan** is going to college in AZ and working at Walgreens.

**Andrew** is a senior at KSU, majoring in Business, and working at Walgreens.

**Connor** is coaching gymnastics and hoping to enroll for his second year at KSU next fall.

**Austin** is about to graduate from Ellet High School (Akron) and will enter the Air Force at the end of July after finishing his senior trip with us in June.

## Other News:

My lifelong friend, **Jim Steyer**, has been battling cancer for fifteen years, and really needs our prayers. If you know Jim, you might email him at:  
[fsteyer@wowway.com](mailto:fsteyer@wowway.com)

**Lastly**, Ruth and I send our love to each of you and hope 2011 is treating you and yours well.

## Orville Loves the Beach!

We all love the white sand beaches of Perdido Key, especially Orville! He rolls in the sand and runs into the surf...requiring a shower after the swim!

Ruth hasn't played golf yet, but is hiking with Orville 2-3 miles each day. The Fenders and

Shercks went armadillo hunting with us

yesterday, but we didn't locate any!

## 2012 Newsletter Name...a contest!

The Editor is now soliciting names for the 2012 newsletter, which will be published in Chandler, AZ.

Jack suggested **The**

**Chandler Courier**, but we already used **The Mesa Courier** in 2010. Susie suggested **The Chandler, AZ Newsletter**, but we want a

more engaging and exciting name. (**Orville Oracle?**)

The winning entry will receive free issues for six of their friends.
