

The RGH Report

After 43 hours on the road (motel to motel) and 2080 miles, we arrived in Gilbert, AZ on January 1.

The house we are renting is great...our best rental in twenty years! Dan and Krystal came down from Denver for the OSU-ND game and then had dinner with us, after which we took them to the airport for their return flight to Denver.

Our winter is off to great start!

Harold/Jill/Austin/Kayla

Kayla and Austin returned from Japan for the holidays and we got to spend lots of time with them.

Interesting trip highlights:

1. Car top carrier came wide open on the freeway. Nothing lost.
2. Lowest gas price- \$1.65
3. Weather was fine...rain day 1 and fog on day 3.
4. Did you know that Las Cruces, NM has a Chile Pepper Drop on Jan 1?
5. Visited Laura and Brian Weaver,(Ruth's nephew) and daughters en route.
6. The portrait of Harold was Ruth's Christmas gift.
7. We send love and wish you each a Happy 2016!
