

# The RGH Report

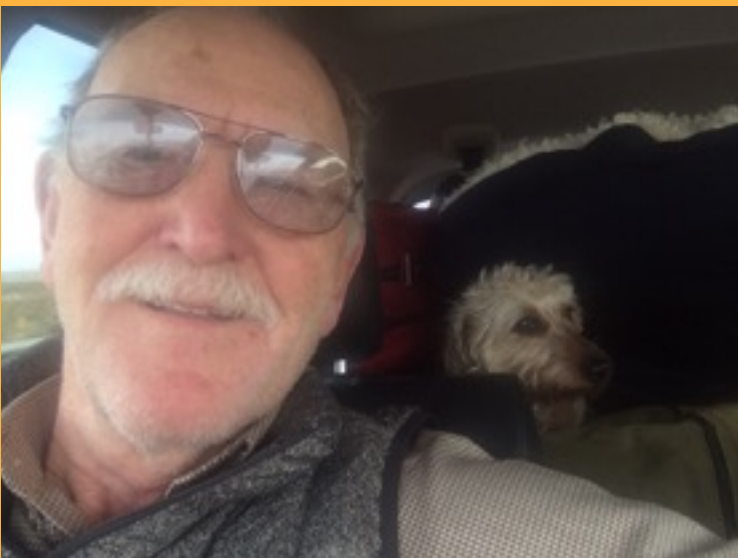

We are really enjoying Gilbert... lots of things to do. Our only glitch has been our mailbox, which we can't use because the lock is broken and we can't authorize the repair...so we got a PO Box. New address: PO Box 2412, Gilbert, AZ 85299. We think this is the reason that we have yet to receive any gifts! I have read some great books: Being Mortal; No Storm Lasts Forever; and, The Monk Who Sold His Ferrari. The first explores how medicine complicates end of life issues. The others include self improvement ideas. I exalt Jim Myers for shooting his age nearly twenty times, but read where T.E. Smith shot his 3359 times. I'm hoping to do it once! We love you. R, G and H.

Superstition Mt. Climb

For my eightieth birthday, grandson Andrew wrote a song for the occasion, entitled Eighty Trips Around the Sun, and you can watch the video by tapping [EIGHTY TRIPS](#). Lyrics are in the story section of my web site: [drglenn.net](http://drglenn.net)
