

# The RGH Report

Ruth and I attended the **Waste Management Phoenix Open** in Scottsdale, along with 101,000 other golf enthusiasts. Last year, this tournament's total attendance was over 500,000! This year, it was over 600,000. Area businesses hosted a **Birdies for the Brave** tent, where Active Duty and Retired Military personnel were treated to lunch and drinks...we also got free parking and tickets!! My 32 years in the Naval Reserves is really paying off!

Ruth's cousin, Jo (from NY), and niece, Judy (from Findlay, OH), have been visiting us to celebrate Ruth and Judy's birthdays. Judy is camping in Apache Junction and Jo flew in for a long weekend. Had dinner at **The Compass**, a revolving restaurant on the 24th floor (Left, Below). Ruth took them and Jo's sister, Lisa, Ruth's niece, to the Heard Museum before the Super Bowl. Lisa's friend,, Richard, joined us for dinner and the game.

Regarding the Super Bowl...I was originally for the Cardinals, then the Panthers, until the last few moments of the Super Bowl...then switched to the Broncos. Ruth says I am a turn-sweatsuit. I will root for the Browns next year if they trade Manziel for Cam Newton.

Lastly, don't worry about old age...it doesn't last!! We love all of you!
